

# (ACE) Advocates for Community Engagement

By Davida McCauley  
College Program Coordinator

The Advocate for Community Engagement Program, or ACE, is designed to link Work-Study students to the needs of Passion Impact and the Community-Based Learning Programs.

## 2021-2022 GOALS

1. To educate ACE Work Study students and bring awareness to DEI and social issues in and out of PI in order to create a safer space for the PI and larger community.

**Outcome: 100%**

2. To create consistency and cement what the ACE program is, for future school years. **Outcome: 100%**

3. Successfully support FEs in completion of their program requirements through the ACE program.

**Outcome: 100%**

4. Enhance and bring awareness of the CBL program for students at PCC and successfully support professors in creating term projects. **Outcome: 50%**

"Everyone that I have met has been so supportive, and you can tell that they share a real passion for helping others. I have appreciated the humor and joy present in each meeting, and I have always felt fully supported to pursue my interests and speak my mind!"

*Thank you!*
